I Love This Series

By S.A.c.

This is a fun book to have around. I wouldn't recommend it as the main course in your guitar studies but as a seasoning you can pick up anytime and add a little flavor to your rock snack. The lessons are easy to intermediate and don't take very long to learn. Best of all each one fits on two open pages so there is no flipping pages back and forth while you practice.

If you want to get better at something

By Mitchell Wallace

Very thorough to touch on so many aspects of rock music. If you want to get better at something, you'll be exposed to so many different techniques that will sure help.

5 of 7 people found the following review helpful.

Good Stuff

By Daniel J. Warme

Good book with a lot of varied ideas and info. Has stuff in there I always wondered about and this book illuminated me.
