Speech class.....Renting

By A. C. Brown

Required for speech class; I think renting books is the best way to go. I have so many books from college that I should have gotten rid of and taking up space.

Overpriced. Stop ripping off college students.

By AP

College books are way too overpriced. There should be a federal law to keep college books under \$50.

1st Impression

By Conure fan

So far I've read two chapters (chapter 11 and 12) and it's impression on me is pretty clear. The author is a little over the top with her examples of speeches and topics. Environmentalism, vegetarianism, ect. Holy cow, are you the same author that wrote the part about marginalization in chapter 11? It seems to have a bias. So far the material isn't difficult and even though this is for a college class, it is no harder than something back in high school would have been. Not terrible, but a little lame.
