# DUCHESS, BOUND BY LACEY KANE PDF

When Jocelyn's guardian, who had previously turned her into his mistress, dies, she becomes the ward of his nephew: the new Duke of Rochester. The duke doesn't just take her under his wing, however--he marries her. As the mere daughter of a servant, she'd never expected to become a duchess. It seemed an even more unlikely prospect than becoming the mistress of a duke. Upon arrival at her new home, however, she discovers she's not only the new duke's wife and duchess, but also his pet--and he is her Master. Gabriel has lusted after Jocelyn since she was a mere girl and even offered for her when her father died. His uncle refused Gabriel's suit, and Gabriel's already dark perversions took a decided turn for the wicked. But now Jocelyn is his. He intends to teach her precisely what her new place in his life shall be with the assistance of his servants and a friend, before his annual summer gathering at Blackthorne Manor, during which she'll be put through her paces. Warning: this title is only suitable for those 18 and over as it contains graphic and explicit sex and language, bondage, submission, punishment, humiliation, dp, tp, a Regency-era gang bang, maids in next to nothing (if anything at all), an earl one should never defy, and an ingenious saddle for a horse. (No duchesses, maids, horses, or other humans or animals were harmed in the writing of this novel.)

Not for the faint of heart

By Kat-T'ang

Whoa, this is hard core BDSM. If you're into major punishment and violence, you'll really like it, but there's no romance here. Pure dominance and submission in a way that I found so degrading it really turned my stomach. The writing wasn't bad, but there were typos and other technical issues. But mostly the subject matter just wasn't my cup of tea. I don't mind BDSM or kinky sex in a book; I usually like it even, but this was way too over the top for me. Just want to make sure any future readers know what they're getting.

no kindness

By Kindle Customer

this book could of been really good but there was no compassion or kindness shown to the girl she was rarely talked to she was brutalized and raped over and over the master her husband was a brute and very cruel i

wish this woman would of fought against things done to her or at least some compassion shown to her.

4 of 4 people found the following review helpful.

Goes too far

By Amazon Customer

No kindness within the book and the content even for erotica goes too far. I found no enjoyment in this book and overall found it was more disturbing than anything else.
