## Review

Meyer writes a valuable and convincing primer on what Buddhists would call "mindfulness" from a dedicated Christian perspective. Using a rich scriptural context, she convinces listeners "to think what you are thinking about". Filled with many anecdotes from ministry, her points are made in a accessible and personable style. The psychology is sound though ensconced in conservative Christian language. Happily, Meyers encourages meditation, both on scripture and in prayer as a way to be in the moment.

Purchased after 5 years of wishing to buy

By LETICIA Q

I award 5 stars because I am almost at the end of the book in a study group. Each chapter helps me to recognize what areas of my life I want to see changed. It challenges me and gives specific steps to do it. I like that I can hear and review any section while being at home cleaning or to make notes to post to myself as reminders of what I want to commit to accomplish as I learn the principles taught by my favorite Bible teacher, Joyce Meyer. I recommend this book to anyone. We all have our very own deficiencies and these principles teach how to stop blaming others for our actions or to make necessary changes to live a fulfilled life and allow others to enjoy having us around.

Even if you have the book, having the CD version helps to refresh all these concepts IF you want to be "fruitful" as the Bible teaches.

Doy 5 estrellas. Estoy en un grupo donde casi terminamos de estudiar este libro. Cada capitulo me ayuda a reconocer areas de mi vida que quiero cambiar. Me desafia y enseña pasos específicos para hacerlo. Me gusta que puedo oír o revisar cualquier sección mientras me encuentro limpiando en casa o puedo hacer notas para mi misma que pongo a la vista para que me recuerden en los cambios que quiero hacer y que estoy aprendiendo de este libro, con mi instructora favorita de la Biblia, Joyce Meyer. Recomiendo el libro a cualquier persona. Cada uno tiene sus propias y diferentes deficiencias y estos principios enseñan a cómo parar de culpar a los demás por nuestras acciones; y, a hacer los cambios necesarios para vivir una vida plena y que otros disfruten de nuestra compañía cuando nos tienen a su alrededor. Te enseña a ser "fructífero" como enseña la Biblia .

El mejor libro que he leído, despues de la Biblia.

By Dra. Nohelia Berlanga de Mtz.

Es un libro que todo cristiano debe de tener a la mano, junto a la Biblia. Tiene la facilidad de ayudarte a renovar tu mente cumpliendo el cometido de Rom. 12:2, de una manera tan sencilla y util, que inmediatamente digieres y aplicas. La cantidad de versiculos applicados a tu vida, te serviran de una manera sobrenatural que reconoceras tu cambio no solo tu, si no los que te rodean...lo recomiendo tanto, como que mi marido y yo hemos regalado ya 100 ejemplares de este libro. Para mi este libro, es el libro base de Joyce Meyer, por el cual Dios le mostro su ministerio. Gracias a Dios y a su sierva, que Dios la siga usando abundantemente...
