Without a cure, she will never be able to carry her precious baby to full term. She is desperate to give her son a chance at life, but every day is a struggle to live.

Victor was forced to leave the only world he ever knew and loved to be with Sarah in California so they could raise their son together. They have agreed to stay until Alexander turns eighteen so he won't be influenced by Ethano, who wants him for his own selfish and destructive gain. Victor is at a disadvantage in a world he knows nothing about. He has no allies, friends, or connections like he did back in his kingdom. But losing his kingdom and trying to fit in this culture is more difficult than he ever imagined.

As Sarah declines, Victor fears the worst. His only hope is to make an allegiance with the enemy. Both are scared of the consequences, but they are left with little choice. Sarah will do anything to stay alive for her husband and unborn child. As they try to adjust to life in California, their lives come crashing down all around them. When Sarah is kidnapped by the Blue-ringed Immortals and learns the sinister plans in store for her, she is mortified and will fight with her very last breath.

Great Series!

By Amazon Customer

I borrowed this book from a friend as I've been reading this series. Victor is trying to adjust to this world and it's hard for him being in a different time and going from king to peasant. Sarah is helping him to adjust, but she really happy being back in California. She's falling in love with it and doesn't want to return back to Tastia, and this causes conflict between them. When two people come from different worlds, one has to give in. Gee, I hope this doesn't break them up.

I loved seeing Sarah pregnant. However, she's dying so I hope they can find a miracle to save her. I could totally relate to Sarah's pregnancy with the throwing up and swollen legs. And I'm so glad she decided to trust her enemy and get an Immortal doctor. At first I wondered if she should trust those Blue-ringed Immortals. After all, they did try to kill them in the last book. But I think Dr. Meyers is a nice lady and will

keep Sarah's secret. She's not like the others. Unless she has her own agenda. I am not sure yet. But I think she's different.

Excitement takes place when Sarah is kidnapped, but it was sad when she had a vision of her dead baby. Sarah's already dying and now the Blue-ringed Immortals have all kinds of awful plans for her, that include killing her baby.

And then, there's Liz, Sarah's sister. She is so funny and brings life into the story. I just love her. She's a spit fire and says whatever is on her mind. I can't wait for the next book and I can't wait to see Sarah have her baby!

This was a fantastic read and I'm dying to see what happens in Eternal Bloom. I read the author's fan page it's supposed to be out in Sept. Can't wait!
