As we open up to life and love and each other, as we awaken from our dream of separation, we encounter not just the bliss of existence, but its pain, too; not only life's ecstasy, but also its agony. Healing doesn't always feel good or comfortable or even "spiritual," for we are inevitably forced to confront our shadows, fears, and deepest longings—those secret parts of ourselves that we have denied, repressed, or deemed "negative" and unworthy of our love. How can we find the calm in the midst of the storm? How can we rest, even as the ground falls? *Falling in Love with Where You Are* invites you to discover a deep YES to your life, no matter what you are going through; to see crisis as an opportunity to heal, pain as an intelligent messenger, and your imperfections as perfectly placed. Through his prose and poetry, Jeff Foster will guide, provoke, encourage, and inspire you on your lonely, joyful, and sometimes exhausting pathless journey to the Home you never, ever left: the present moment. "Even in your glorious imperfection," Jeff reminds us, "you were always a perfect expression of life, a beloved child of the universe, a complete work of art, unique in all the world..."

My forth book by Foster

By San Francisco guy

I put off buying this because, really, I've read a ton of non-dual books and, even though I am aware that non-duality is my path, reading about it is getting to be same-ole-same-ole. As I began reading this one, I thought I had probably wasted my money: "Yeah, I know that. Yeah, yeah. More of the same." But after a few pages, I realized that something that I couldn't define was shifting inside of me. Aha! Jeff was getting past my brain and speaking to my heart. This book IS different. Or perhaps it's effect has more to do with where I'm at than

the words. Most likely, it is a combination of both. Anyway... I'm going to reread my other Foster books, for sure.

Deeply nourishing and evocative!

By Jesdica

I have adored reading this book, over and over. It is like sinking deeply into your own joyful and bleeding heart. Its purity. Kindness. Eloquence. Comforting and real. It came at a perfect time in my life and has truly nourished me. It has challenged thoughts, torn at my vulnerability and comforted my aching. It should be recommended to anyone who is willing to be open to see what truly lies within. I hope you enjoy it as much as I have and can recommend it to others who have a desire to recognize what is already here. And its just beautiful poetry.
