Beautiful Devotional for Children

By Rebecca

This is a sweet and easy to read devotional with your children. Each day contains a short devotional, scripture to memorize, a way to apply that day's devotion to real life and a prayer.

Alisha has done a fantastic job in providing a devotional that equips parents in guiding their children's hearts in God's commands - through scripture. It's so easy to go through life teaching our children to be good. Truly, though, heart change only comes through God's words - written in the Bible.

I highly recommend this to all families.

We have looked for and purchased devotions for our kiddos that were good, but this one is AWESOME! They layout includes the devotion with scripture and prayer for your child in a way that you can read it thru with little ones or let your older ones (my oldest is 11) read it on their own. My son has a tablet reader that we are going to load it onto, I love that this is available as an ebook. This is a great devotional for helping your child grasp the foundation of what God has promised them!
