A modern classic

By The Good Crone

I happened to find this book at a time when the Dark Night had all but swamped me, and it was a lifeline! Burrows has been a Carmelite nun for many years, and has been a teacher of young nuns. She obviously has an inquiring mind, too, and studied the great Carmelite writers, John of the Cross, Teresa of Avila, Therese of Lisieux. How well she describes the path we must follow if we hope to rest in God!

If you have recently started on this journey, read the book for inspiration, and keep it to reread as you move along. If you are a very old hand at prayer, look into it for courage and clarity. It is one of the great ones.

Wonderful, but not for the faint of heart!

By A Customer

This is a marvelous book for those who have been praying for quite a while. It spends a great deal of time describing the aridity that God sometimes allows in our prayer life. I do not recommend it to beginners in prayer, though.
