Our new brand of books with short stories and bilingual translations offers readers with different levels of Norwegian the pleasure of learning a language while increasing their general knowledge in the process. The text is written in two different languages, Norwegian and English. The Norwegian sentence appears above the English sentence in classic bilingual text. Our unique story telling is inspired by historic characters and written in modern language, bringing them closer to our times and lives. We bring history to life, while keeping to the facts, making it more entertaining for you without the long hours of studying dry texts. Adding a twist to the story, The Life of Cleopatra is told from 4 different perspectives. Readers of all ages can enjoy our books.

Horrible Norwegian - certainly not created by someone with a good knowledge of Norwegian

By A. Helgesen

Horrible Norwegian, worse than how a typical 8 year old will speak.

Example from one screenprint of the book:

Fyrtårnet (neuter) is mentioned as 'den' (feminine/maskuline) in the next phrases.

En hundred og femti?? In modern Norwegian, this should be 'hundre-og-femti'.

'Tok pusten min vekk' = google.translate?

Alexander den Store - Norwegian does not capitalize the same way as in English. He is called 'Aleksander den store' in Norwegian.

0 of 0 people found the following review helpful.

Very useful and a catching story

By Redouane lahsen

Very useful and a catching story, if you are a beginner like I am the start ca be rough... it will get while you go through the book.
