Weirdest School Ever.

By Mymcbooks

My Review: In this series of My Weirdest School #4. A.J and his gang are back, and its all about birthdays and fire. But how are the two related? Well, its crybaby Emily's birthday, and A.J isn't happy to spend the whole morning in Mr. Cooper's class being nice to her. While Emily was trying to blow out the candles a

few was still alight, So A.J decided to help her blow out the remaining candles but he blew so hard that one of the candles fell off the cake and landed on Emily's shirt. "Call the fire department!"

Mr. Copper grabbed the fire extinguisher and aimed it at Emily's shirt and her cake as well. Not only is her shirt ruined, but her cake as well. Emily started crying, "This is my worst birthday ever!" she shouted.

The next day the principal decided to bring Mrs. Meyer of the local fire department to teach the students about fire safety.

Would the students learn anything or would everything go up in smoke? You'll have to read the book to find out!

The illustrations by Jim Paillot help to makes the story hilarious. I highly recommend this book.

FTC Disclosure: I received a review copy of this book from HarperCollins in exchange for a fair and honest review. I was not monetarily compensated for my opinion in any way.

By Marie

I liked the my weird school series very much. I was not so hot with the my wierd school daze series though. And finally the my wierdest school series was terrible. Gutman is good but these books are getting old. Don't take my word for it waste the five dollars on 85 page crap.
