Rightly Dividing the Word

By chipiii@sprintmail.com

If you are a student of God's Word, then you need to purchase this book. It is an easy book to read, and one that every student needs. It has topics like Atonement, Faith, Dispensation and Ages, the Antichrist, The Church, the Jews. It is filled with information on these topics, and is filled with scripture. If you like Dispensationism, or if you aren't a follower of this type of study, you will learn a lot from Clarence Larkin's "Rightly Dividing the Truth".

Rightly Dividing the Word by Clarence Larkin

By D. L. Munro

This is an incredible little book packed with Biblical helps. Great diagrams regarding prophecy. Clearly and accurately deals with many subjects from a literal and dispensational view of interpreting the scriptures. I have had and used this book as a pastor for many years (it was a gift to me 25 years ago); this recent purchase was for a young believer in Christ who read it through and loved it.

A must read

By Steven J. Dahlquist

This book is a must read for all Christians. It is so informative and will help people to understand the Bible better. The truths in this book are not being taught in our pulpits today nor are they taught in the Sunday Schools.

Christians must wake up and start rightly dividing the Word of God and then they will have a better understanding of the Scriptures and Clarence Larkin has done that with this book.
