2nd in the series

By Cindy K

Contemporary romance with protected sex. This is the 2nd in the series, although it can be read as a stand alone.

We met John in the first book as Alex's friend & co-worker. John decides he needs to set down some roots, so he buys a house. He meets his neighbor Erin. Sparks fly & very soon they're in love & in bed. Erin has her own issues with Feds, so she's not thrilled with her attraction to John. Then, danger threatens Erin & John has to keep her safe.

This is a good story, in the style of Lori Foster. The relationship moves very fast & we hear "I love you" almost too quickly. There's the typical nosy older neighbor. Still, I like the H/h. I also like that the heroine takes care of business herself (with only some help from the hero!) & isn't passively waiting for the hero to

solve everything.

Just as good as Book 1! Adrienne Bell has a great hero/ heroine mix that's funny, suspenseful and hot! I just wish Adrienne Bell could write these as fast as I'm reading them! I've stayed up past 1 am reading her books and I have to work the next day! I have no will power to put her books down!
