THE BIBLE: A HISTORICAL AND LITERARY INTRODUCTION BY BART D. EHRMAN PDF

This letter might not influence you to be smarter, yet guide *The Bible: A Historical And Literary Introduction By Bart D. Ehrman* that our company offer will stimulate you to be smarter. Yeah, at the very least you'll know greater than others which don't. This is just what called as the high quality life improvisation. Why should this *The Bible: A Historical And Literary Introduction By Bart D. Ehrman* It's considering that this is your favourite style to check out. If you similar to this *The Bible: A Historical And Literary Introduction By Bart D. Ehrman* theme about, why do not you read the book *The Bible: A Historical And Literary Introduction By Bart D. Ehrman* to enhance your discussion?

Review

"Gifted with an ability to describe complex concepts in accessible language, Ehrman has crafted a textbook that offers me the working text I need to introduce the Bible within its historical contexts and with an awareness of its literary elements, even to students who bring no previous knowledge to the class."--Wayne Kannaday, Newberry College

"Ehrman's discussions are concise and do not overwhelm students with too much detail, yet the text includes much information on political and historical contexts. An enormous amount of complex material is sufficiently covered in a short space and in a thorough manner without complicating the essential discussions with tangential issues."--Paul Mirecki, University of Kansas

About the Author

Bart D. Ehrman is the James A. Gray Distinguished Professor at the University of North Carolina at Chapel Hill. He has written or edited more than twenty-five books, including *Forgery and Counterforgery* (2013), *The New Testament, Fifth Edition* (2012), and *The Orthodox Corruption of Scripture, Second Edition* (2011), all published by Oxford University Press.

The Bible According to Bart

By Scott William Bignell

This is designed as a textbook for a 1 semester freshman-level course on the Bible. For that reason, it's by no means exhaustive or overly opinionated. Instead, it just does a great job of summarising the books of the Bible (their content, history and interpretations), as well as introducing some of the modern scholarly thoughts, debates and controversies regarding them. As a textbook, it also asks the reader many thought provoking questions throughout that help point to further areas of study. The book is written through the lens of the critical-historian, not through the lens of any particular Bible-based faith. Ehrman has always had a knack at communicating, what can be in lesser hands, rather dull material in an engaging and to-the-point way. Highly recommended for anyone who is new to Biblical studies.

accessible, clearly written, well organized, well documented

By Tony Alan

While I am not a Biblical scholar or academician, I find Dr. Ehrman's text to be extremely accessible, clearly written, well organized, and well-documented. I have long been a fan of Dr. Ehrman's books and have read each one. I recently was looking for a good historical introduction to the Bible that dealt with authorship,

manuscripts, the historical context, and that wasn't too technical or promoting a religious or denominational perspective. Dr. Ehrman has provide dall that in this book. I would think this would be an excellent reference book for any student of the Bible - whether in a college class - or just as a person of taith.

Wonderful study book

By mary hazen

This book is very readable and well planned for learning about and understanding the Bible. Most books about the Bible do not cover the truth of how it was written and by whom. I have purchased other books by Professor Bart Ehrman and I always found them very interesting and readable for a non scholar like myself.
