THE OFFICIAL STUDY GUIDE TO I DON'T HAVE ENOUGH FAITH TO BE AN ATHEIST BY NORMAN L. GEISLER, JASON JIMENEZ PDF

“I wish I Don’t Have Enough Faith to Be an Atheist had been available when I was an atheist—it would have saved a lot of time in my spiritual journey toward God.”

Lee Strobel, author, *The Case for Christ*, *The Case for Faith*, and *The Case for a Creator*

“This extremely readable book brilliantly builds the case for Christianity from the question of truth all the way to the inspiration of the Bible. And the verdict is in: Christians stand on mounds of solid evidence while skeptics cling to nothing but their blind, dogmatic faith. If you’re still a skeptic after reading *I Don’t Have Enough Faith to Be an Atheist*, then I suspect you’re living in denial.”

Josh McDowell, speaker and author of *Evidence That Demands a Verdict*

This study guide is the ultimate resource to use side-by-side with *I Don’t Have Enough Faith to Be an Atheist* and help the reader draw out the evidence for Christianity as well as provide practical insights on how to engage skeptics with the truth addressed in the book. The study guide is divided up into three parts that emboldens the reader to get motivated, equips the reader to be trained, and engages the reader so that they are prepared to readily respond to the objections asserted by skeptics and atheist.

Best spiritual book I've ever read excluding the Bible!!

By Darien Hubbard

I can honestly say I've read a lot of spiritual books for a 20 year old in college, but I don't have enough faith to be an atheist beats them by a long shot. It's easy to understand, gives you the evidence and proves to you why the evidence is factual. I'm pretty speechless about this great book. If your an atheist, Christian, Muslim or anything I recommend this to you. It helps!! It really encouraged me in my walk with God. I have a greater conviction and am ready to fight this battle of doubt,sin and other beliefs.

Fantastic

By W.N.

This is an amazing book. It is at a level anyone can understand. Fantastic, scientific research to back the points they make against atheism. Helps a person with faith understand their belief and defend their faith. I am going to purchase one of these for my older son to read and hoping he will pass it on to his teenage son.

I don't Have Enough Faith to be and Atheist

By Harvey

One of the best books on this topic I have read. Deep, and technical but very good. Gives good sources other than just the Bible.
