Unlimited Indeed

By sherebiah

Pastor Kynan Bridges has written another well researched book on faith, favor, and healing for the confessing believer. Like his previous books, the reader must take time to digest what is written. The author

is preparing the church for a great reformation of signs and wonders during these last days. A second reading will be necessary to fully benefit and apply the Word of God to my life and ministry.

Faith for today

By Ariel Taylor

This book explains faith from a scriptural and practical point of view. I've many of the books about great men of faith, or authored by these men. This book doesn't fall short in comparison.

Life changing

By M. Brinkley

A very biblically structured book on faith. It teaches what true biblical faith is and how simply taking God at His Word opens the door to advancing His kingdom in the power of the Holy Spirit. This is not supernatural faith for the elite followers of Christ but what is available to all who believe (Ephesians 1:15-23)
